

Dr. Cade FOUST

Oral Surgeon

"Nothing makes me happier than to hear my patients ask, 'That's it?' at the end of a procedure."

Experience

We are proud to partner with Dr. Cade Foust for wisdom teeth procedures – right here in our practice! He has removed over 25,000 wisdom teeth and safely sedated over 7,000 patients with conscious IV sedation. With a focus on comfort and safety, he ensures every surgical procedure is smooth, precise, and stress-free.
